# Why choose Spanish Educational Institute?

## Values that set us apart

### **For our language learning model, which is based on excellence (educational quality)**

The Instituto Educativo Español boasts the highest academic recognition, ensuring its position of excellence among the best schools of Madrid. Its team of teachers uses learning methods based on disruptive and innovative practices.

### **For our highly qualified teachers and team**

All of our teachers are native English speakers, and are highly qualified with extensive teaching experience. Our staff is dynamic, proactive and passionate about their work.

### **For our exclusive and unique teaching methods, based on innovation and disruptive education**

The Spanish Educational Method focuses on disruptive, digitally-based education, combined with immersion in very different creative and avant-garde universes: the use of games and game-learning of activities; practice and experimentation in disciplines such as performing arts, music or fine art.

### **For our service, backed by the best educational institution**

All students can test their level of Spanish free of charge, before starting their course. At the end of the programme, students will receive a certificate and accreditation with detailed information.

### **For our educational approach, friendly and personalised**

The Spanish Educational Method is committed to offering our students a unique service and personalised customer service throughout the entire programme with attention that is direct and friendly.

### **For our excellent facilities located in Central Madrid**

Our facilities are located in one of Madrid's best cultural, artistic and commercial areas. Its many entertainment and recreational options are the perfect complement to our programme options.

### **Port through the many means afforded by digital learning processes**

For our extensive experience as an educational centre 35 years of experience in the educational sector, at all levels and across all educational and training environments, constitute our greatest guarantee.

### **IEE has been accredited by Instituto Cervantes**

Which means it meets the conditions set by the Instituto Cervantes Accreditation System for Centres, the only international accreditation exclusively focused on the teaching of Spanish as a foreign language.
